

Using AI for Revision

Artificial Intelligence

[är-tə-'fi-shəl in-'te-lə-jən(t)s]

The simulation of human intelligence by software-coded heuristics.

What is AI?

ChatGPT is an open artificial intelligence app that you can use to improve your understanding of any subject you are studying

How can I use AI to help me to revise?

- Download the ChatGPT App.
- Using this App you can ask it anything you want to know about any subject you are studying.
- Type into ChatGPT
 - 1) What the qualification is
 - 2) What exam board
 - 3) Which topic
 - 4) What type of question
 - 5) Ask the App to create some exam questions with separate model answers
 - 6) Have a go at the questions
 - 7) Check your answers against the model answers

Watch this video for great ideas to use chatgpt to revise.
