

# WE CAN'T WAIT TO MEET **YOU!**

THE PRESCOT SCHOOL

Personal development and academic achievement are at the heart of our inclusive learning community

We are a really friendly school and we believe it is important that all our students are happy and go on to lead successful lives

When you join us you will be supported by our pastoral team, including the Head of Year 7 and Learning Mentors who are here to help you settle in

We will be in touch soon about activities we'll be running this summer to help you get to know your new school

# We hear that you will soon be joining us at The Prescott School.

Everyone here is really looking forward to meeting you and we can't wait for you to start in September.

We are doing lots to get ready for when you arrive. We are planning exciting lessons and organising lots of different opportunities for you to take part in. Whatever you are interested in there will be lots to try.

Over the coming weeks we will be contacting all your primary schools to find out more about you and get ready for your arrival. We will be sending lots of further information out to your parents/carers soon and we will also be running some activities to help you get to know your new school.

If you do have any concerns, don't worry – it is only natural. Whenever you do something new, there will always be some nerves.

We promise that we will do everything we can to make you feel at home at The Prescott School as soon as you arrive.

For further information about your new school please visit our dedicated transition website, which will be updated with further information over the coming months:
