# WHAT IS CLASSCHARTS?

- Classcharts is a program that helps staff, parents and students keep track of **behaviour**, **homework**, **attendance** and **punctuality** at our school.
- It can be accessed via a phone app or online via a standard internet browser.
- It is user friendly, informative and a handy way to consistently communicate with parents / carers and students regarding behaviour etc.

# Detentions

If your school has decided to enable the detentions view for parents, you will see a [Detentions](#) option in the top menu. Clicking on this option will display a list of detentions which have been set for your child.

Detentions fall under 4 categories: [Attended](#), [Not attended](#), [Pending](#) and [Upscaled](#).

**Attended:** Your child has sat this detention.

**Not attended:** Your child did not sit this detention.

**Pending:** This detention has not been sat yet.

**Upscaled:** Your child's detention has been escalated into another type of detention.

The screenshot displays a mobile application interface for viewing detentions. It is organized into three sections based on the date of the detention:

- TODAY:** A pink card for a "Breaktime Detention" in Room 40, assigned to Sean Abbey on 12/10/2017 at 11:00. A "DETAILS" link is visible.
- FUTURE:** A yellow card for a "Lunchtime detention" in the Canteen, assigned to Sean Abbey on 17/10/2017 at 13:50. A "DETAILS" link is visible.
- PREVIOUS:** A green card for an "Afterschool detention" in Room 55, assigned to Sean Abbey on 5/10/2017 at 15:30. A "DETAILS" link is visible.
