

## Pupil Premium Overview – 2022/23

<b>Number of Pupils on Roll:</b>	868	<b>Proportion of disadvantaged (%):</b>	55%
<b>Pupil premium funding for the year:</b>	£686,845.00	<b>Pupil premium lead:</b>	E Earps
<b>Disadvantaged Barriers to Learning:</b>			
Knowsley is the second most deprived LA in the country. The percentage of pupil premium students is higher than the national average.	Knowsley was ranked the highest area in the country for infection rates during much of the pandemic. There has been significant financial impact on a number of our families.	Multiple vulnerabilities present additional challenges within our cohort. Knowsley has the third highest rate of children with Special Educational Needs and Disabilities in England.	
Attendance to school for groups of learning. Behavioural choices of some pupils.	At primary level a gap remains between local and national data sets for the number of children achieving the expected standards in Reading, Writing and Maths.	A lack of wider enrichment opportunities within the community. School actions to fill those gaps, as well as build a broad, balanced, and rich curriculum to expose students to the wider world.
