Head of School

Mr J Jardine BSc (Hons), QTS, NPQH
Executive Principal

Dear Parent / Carer,

As we come to the end of the students' first week back in school, I wanted to write to you to thank you and the wider community for your overwhelming support. It has been truly humbling and has made my start at The Prescott School, during a challenging period in education, a positive one.

The staff and I hold the highest expectations of all students and they have truly done themselves proud this week in terms of their presentation and attitudes towards this new academic year. I know this has been made further possible by your support and I am very appreciative of this.

I have always been passionate about school improvement and will continue to work tirelessly aiming for every single student at The Prescott School to achieve their potential academically and holistically. The Prescott School staff speak passionately to me about the importance of holistic development of the young people in our care. We will take great delight in seeing our current students grow into resilient, polite young adults who are ready to face the world with confidence and ambition when they leave us.

I end this letter with quotes from some members our new Year 11 Prefect Team which I hope will bring you as much joy and positivity as they did for us as a body of staff.

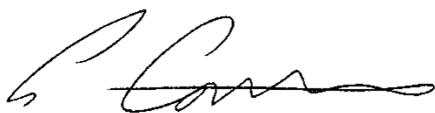

"The line ups start a calm day and highlight the expectations of the school." TH

"The uniform makes us look smart and prepares us for life after school." ET

"School feels really welcoming coming back." ES

Yours sincerely,

Mrs G Cousineau
Head of School
