Mrs G Cousineau BSc (Hons), QTS, NPQH
Head of School

Mr J Jardine BSc (Hons), QTS, NPQH
Executive Principal

Dear Parent / Carer,

I wrote to you in October regarding an event we planned to host for parents/carers during half term three (January to February half term.) The aim was for you to come in to school one evening and hear about the plans for 2022 GCSEs and to be given advice on how to support your child with revision and wellbeing in the run up to their exams. There would also have been an opportunity for you to speak to senior leaders to clarify any exam related queries you may have.

Unfortunately, due to our current Covid risk assessment, we are not able to host this event during half term three. However, as a school we continue to do all we can to support our students and families.

As a result, we are now aiming for this event to take place during half term four (after February half term and before the Easter break.)

It would be really useful for our planning if you could provide us with information on what you would find beneficial to be provided with / covered during the event.

Please complete the quick online questionnaire by clicking this link:

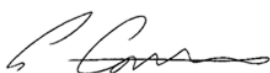

<https://forms.office.com/r/mNLzV5zT5U> or alternatively, please scan QR code:

For your information, the revision support event planned for students to take place on Tuesday 15th February will still take place. We are confident that this will be a valuable experience for Year 11 students. We are using an external company to facilitate this. Further details can be found here: <https://www.maximizeyourpotential.co.uk/>

In the meantime, please contact Mr T Gregory (Assistant Principal for Raising Standards) should you have any further queries via tgregory@prescotschool.org.uk

Yours sincerely,

Mrs G Cousineau
Head of School
