Exciting News: Introducing the Legendary Learner Programme!

Dear Parents/Guardians,

We hope this message finds you well. We are thrilled to share some exciting news about a new initiative we are implementing at our secondary school to recognise and reward Legendary efforts in learning.

Starting from this term, we are introducing the "Legendary Learner" programme in every classroom. In each lesson, teachers will have the opportunity to identify and reward one student who has demonstrated Legendary dedication, effort, and approach to their learning. The chosen student will be presented with a Legendary Learner ticket, which they can proudly take home to share with you.

Encourage your child to showcase their Legendary Learner tickets by posting them in the designated Legendary Learner reward box. This not only serves as a personal achievement for the student but also contributes to the excitement building up for our special half-termly prize draw.

Here's how it works: every half term, all the Legendary Learner tickets collected will be entered into a prize draw. The more tickets your child earns, the higher their chances of winning a fantastic prize. It's a fun and motivating way to celebrate their hard work and dedication to their studies.

We encourage you to engage with your child about their school day and celebrate their Legendary efforts. If your child comes home excitedly with a Legendary Learner ticket, take a moment to praise and congratulate them for their outstanding commitment to learning. You will also be able to track whether your child is a legendary learner on Classcharts.

We believe that recognising and rewarding Legendary effort will not only boost your child's confidence but also foster a positive and encouraging learning environment. Thank you for your continued support, and we look forward to celebrating the Legendary learners in our school community.

Yours sincerely,

Mr. M. Reynolds
Principal
