Friday 14 February

Dear Parents and Carers,

As we come to the end of another successful half-term at Prescot High School, I would like to take this opportunity to thank the entire school community for your continued support and commitment to the improvements we are making. It is heartening to see the positive changes reflected in both our student and parent surveys, which have confirmed significant improvements in behaviour and school culture.

While there will always be areas where we can grow, I am pleased to report that the systems and routines we have in place are proving effective in raising standards both in and out of the classroom. These improvements are a testament to the collective effort of students, staff, and parents alike.

I would also like to acknowledge the hard work and dedication of our staff, who have been instrumental in enhancing the range of opportunities available to our students. This half-term has seen an increase in extracurricular activities, Saturday intervention sessions, and sporting fixtures, all of which enrich our students' experience and contribute to their personal and academic development. Additionally, we were delighted to host a Careers Fair, providing students with valuable insight into future pathways and career opportunities.

Furthermore, I am thrilled to share the huge success of our Legendary Learner reward system. Students have truly embraced this initiative, with staff celebrating the effort of one student in every lesson. This has created a positive and encouraging atmosphere, reinforcing the importance of perseverance and engagement in learning.

To maintain our high standards, I ask for your continued support in upholding the school's uniform policy. All students must attend school daily in full uniform and bring a suitable bag that can carry an A4 folder and a pencil case containing pens and pencils. This ensures that students are fully prepared and ready to engage in their learning.

I would like to inform you that we be changing our school management system from SIMS to Bromcom. Further details on this transition will be shared in the coming weeks.

In response to surveys that have been sent out to the school we have endeavoured to improve our communication system.

OUR VISION

WE WILL ENSURE ALL STUDENTS ACHIEVE THEIR
ACADEMIC POTENTIAL, DEVELOP HOLISTICALLY AND
GO ON TO LEAD HAPPY AND SUCCESSFUL LIVES.
