AMBITION | INTEGRITY | APPRECIATION

INTRODUCTION

At The Prescot School, we believe our uniform achieves two important goals:

- **It encourages a sense of community identity and pride.**
By wearing the same badge and the same clothing, our students are encouraged to think of the needs of the community as well as their own individual needs;
- **It encourages our students to develop habits for life.**
By polishing their shoes, folding trousers or skirts and hanging up their blazers, students learn the habits of discipline and personal responsibility that will stay with them for life.

We know that our students take pride in their presentation and appreciate that one of the reasons parents / carers choose to send their child to our school is our high expectations.

Parents / carers also agreed to fully support the school's rules when they registered their child at the school.

UNIFORM OUTSIDE OF SCHOOL

Students who wear their school clothing in the community represent us at all times. We expect our students to behave with respect and manners both inside and outside of the building.

Outside of the school day, students should be in their full school uniform.

If students wish to wear their home clothes after the school day has ended, they must return home and change.

SCHOOL UNIFORM STANDARDS

At The Prescot School we believe that correct school uniform is vital in establishing an ethos of hard work and aspiration. That is why uniform is compulsory for all students.
